

Premier Services Website

Manage Trailer Transactions Online 24/7

How can Premier Services help you?

- > **View Lease/Rental activity**
View lease and rental agreements online as well as the inbound/outbound inspection reports for a particular unit.
- > **Review Invoice Details**
View invoices charges, invoice images, and dispute invoice charges.
- > **Access Pre-Invoice Details**
View repair/maintenance charges on pre-invoice, pre-invoice images, and print pre-invoices.
- > **Approve Repair/Maintenance Charges**
View your repair rebills and available images of trailer damage, approve Repair Detail Worksheets and dispute charges online.
- > **Set up Email Notifications**
You can receive emails for the following transactions:
 - Lease and rental activation/termination - email is sent when a unit is picked up or returned to a Trailer Fleet Services Branch.
 - Invoice Generation – email is sent when an invoice is created.
 - Rebill/Damage Notification – email is sent when repair or maintenance work needs to be approved.
- > **Request Trailer Reservations**
You can select equipment specifications, check availability and place your order for rental equipment.
- > **And much more...**

Sign up is easy !
