

# Storage Trailer Rentals & Sales

Finding the best solution  
for your needs

**We know storage trailers.** Whether your need is local or national, we offer competitive rates, quality equipment and over 50 years experience. We are not your typical storage provider. Look no further for a vendor to help with your storage needs.

## Access to Trailers

Material storage, facility renovations, or peak season flexibility... GE has trailers to meet your ,dock-level storage needs.

As one of the largest trailer rental & remarketing companies, our North American branch network provides you access to thousands of trailers for either **rent or sale** that can satisfy both short- and long-term requirements.

## Acquisition Options

Our team will analyze your storage needs to find a solution that works best for your business. The solution could be renting, leasing, a purchase or some combination -- all at competitive rates.

## Quality Trailers

We have only roadworthy trailers -- all with current FHWA inspections.

## Delivery Services

GE can assist you by delivering and picking up trailers at at one or more locations.

## Local Contacts and Service

Trailer Fleet Services branches are managed locally with managers who are empowered to make decisions. Their success is dependent upon customer satisfaction, so the branch team works hard to ensure your individual storage requirements are met.
